Welcome to the grand opening of California Welcome to the Grand Opening of California Closets' Glenview showroom. Here you can see examples of the space management solutions for which we are famous for, complete with accessories that will give you a sense of the way closets, activity rooms, mud rooms and other spaces can work. Our designers match your spaces and your dreams in custom designs that we build to fit your home in our factory in Wheeling.

We hope you enjoy the food and entertainment these three nights. And we hope you are generous in your contributions to the three fine charities we are supporting.

Many partners have made these nights possible: Restaurants and retailers and musicians and travel destinations, and we thank them all for their interest and cooperation. You'll find more information about them in this program. They are our neighbors and we hope you support them as you do us. And for now, eat, drink and listen.

Thanks for joining our celebration.
